Public Records Request

The City of Hermosa Beach encourages public participation in the governing process and provides reasonable accessibility to all public records except those documents which are exempt from disclosure by express provisions of law or considered confidential or privileged under the law. The City is under no obligation to respond to requests which are not focused or specific. The City may withhold documents which are exempt from disclosure under state or federal law, including the attorney—client privilege or any other applicable privilege. The City, in accordance with Government Code Section 6253(b), has ten (10) days to respond to any request for public documents by indicating whether or not the documents exist and will be made available. Actual production of the documents may take somewhat longer depending upon their ease of availability and staff workload. To assist us in providing a timely response to your request, please fill out the form below and indicate the specific record/document you wish to review.

Subject: FW: ADA PARKING/ MISSING REPORTS??

Hi there, Tanesha. Happy Monday to you. This may be a duplicate. If so, I apologize. I am wondering if Mr. Clark's request below is being processed as a public records request.

Warmly,
suja

Subject: ADA PARKING/ MISSING REPORTS??

Stacey

I have waited long enough. When I first asked City Officials about ADA parking in Hermosa Beach, Pete Tucker was Mayor. I always got the same email from city officials. We take ADA parking very seriously and it is a "HIGH PRIORITY ITEM FOR US"!!. "These items take time and they are in the system to be worked on". After 5 years nothing has happened and things have actually gotten worse.

I know that the city has paid for 2 different reports that were to do an evaluation of ADA access in various locations.

1. One was done by CivilSource and a report was issued on July of 2015. CivilSource hired a subcontractor called Assessology to do the work on the ADA compliance
2. I have an email from City Attorney Michael Jenkins saying he just executed a contract for evaluation of ADA compliance of City facilities. The date is Feb 4, 2017

Would you please send me copy of the report for these. You promised me in numerous emails that you would send this to me. These date back almost 3 years. I have emails from 3 City Managers, 3 Public Works Directors, City Council members, City Attorney that they were working on this.

If I do not get a response by Friday Sept 13, I will be filing a "PUBLIC RECORDS REQUEST" with the City Clerk

Thank You
Gary Clark
